Subject: CVDG/FCS agreement

Dave

This interim agreement addresses H&S, which is the most important issue to clarify for now. If you see anything else to include, let me know.
Once CVDG have had a chance to read & discuss, we can exchange signed copies.

For info, there is a push within FCS to have more formal agreements where FCS accept maint commitment. Depending on outcome, the FCS/CVDG relationship may become more formalised.

What's the feedback from the trails?
