Dear Ms Kennedy

Thanks for your e mail and attachment.

Any agreement requires the authority of the Management Committee. Accordingly, I have contacted our Secretary and he will table this for discussion at our next committee meeting on 4th April.

I note your comments re the plan. If you can send me this meantime, it will be reviewed at the same time.

Yours sincerely

Niall Thomson

Dear Mr Thomson,

Rena Tarwinska asked me some time ago to draft a permission for the work that you plan on undertaking at Carron Valley in relation to the bike trails based on the draft agreement that you agreed with Rena. I apologise for the delay that it has taken me to draft what is a fairly straightforward permission.

Accordingly I enclose a copy of the draft permission. You will note that I still have to include a plan and I need from you the correct designation and note of the signing authority for the group. It may be that yourself as Chairman can sign agreements, or all members of the management committee may need to sign and I would be grateful if you could advise.

I look forward to hearing from you with the above, once this is received I will amend the permission and send the final copy out for signature.

Yours sincerely

Helen Kennedy
