Subject: Leader+ applic for Carron Valley catering

All

The Leader+ assessors determined that the case for a catering outlet was sufficiently strong already, that no feasibility study was required.

Thanks to CSFT & NLC for their contrib to this, and to CVDG for the extra detail to Leader+ for the applic.

The next step then is to work up a lease and put out a tender. A big issue for potential parties will be whether any buildings are supplied. FCS will only offer land for the lease, so if the Partnership want to discuss other options eg supply a building, we can do so at a future meeting. I envisage the catering starting Easter, assuming all in order.

Thanks
