PLEASE NOTE that we have just been advised that visitors to Fleming House will not be permitted to use the car parks at the Antonine Shopping Centre.

The Shopping Centre parking attendants have now been instructed to 'ticket' anybody seen parking and then entering Fleming House. This would result in a £60 fine.

Sorry

Dear All,

In response to Niall's suggestion to have one of the Council's host the next meeting, and after a brief discussion with Rena, we at NLC would be willing to hold the meeting here if it's acceptable to other members.

The date actually scheduled for the meeting is **Thursday the 27th September at 2.00** and I presume that this is still the relevant date/time.

I have pre booked the 'Directors Room' 3rd Floor Fleming House for the meeting. All visitors require to report to our 3rd Floor reception so it should make things easier.

Please let me know if you plan to attend so that I can arrange hospitality, unfortunately only limited to tea, coffee and biscuits, but better than nothing - I hope.

If you need directions to Fleming House please let me know, but if you know Cumbernauld Town Centre, it is the large brown brick office block on the Easterly side of the Town Centre - near ASDA. Parking may be limited in the office car park, but free parking is available within the Antonine Shopping Centre opposite our office provided you do not stay longer than 4 hours, (otherwise it's £60!).

Regards

John

Rena, all

I note FCS refusal to afford me the courtesy of a response.

The Concordat is clear on this issue and as far as CVDG is concerned, FCS has no mandate to call time out on the Partnership. Next weeks meeting must proceed as planned.

I believe the meeting is scheduled for 14:00 on 20th September and I suggest the meeting be chaired and

hosted by either of the 2 Councils. CVDG suggested agenda is to discuss only 2 items:

- 1. The Concordat
- 2. Partnership working

Could everyone please feed back confirming their position.

Thanks

Niall
