Mike

I confirm that the lochside trail will be available for a minimum of 5yrs as an amenity for the public, and it will be maintained as part of the facilities at CV.

Let me know if you'd prefer a hardcopy letter.

Thanks

Rena

Angela

Thanks for sending this through.

I see no reason why the contract can't be signed but I would prefer FCS to actually confirm that the condition under Schedule 4 will be met. I suspect this is less about maintenance and more about the facility being available as an amenity for at least 5 years. So perhaps **Rena** could just formally confirm that is the case.

I know the Technical Sub-Group is meeting next week so at the very least this can resolved then. I am on leave from Friday night so if there is still formalities to be confirmed then Graeme and I will just agree what needs to be done before I go.

Mike

 Dear Mike

CVDG has received the formal contract from WREN for the £35k funding for the reservoir-side trail. As CSFT is acting as project and financial manager for the work, please could you check the attached contract to ensure that we can comply with all the requirements including the 5-year maintenance requirement. Once this is done I will sign it and return it to WREN (it is due back on 8 July).

Thank you
 Angela
